

Collection Box Coordinator

Why we need you

We are looking for outgoing proactive people with a good knowledge of their local community to help us raise money and awareness of Brighter Futures.

What will I be doing?

- Delivering and collecting Brighter Futures Collection Boxes in and around your local community
- Writing receipts and thanking people
- Keeping accurate records of locations of collection boxes and when they need to be collected

What skills will I need?

- Good knowledge of your local community
- Outgoing, proactive and self-motivated
- Good communication and organisational skills
- Your own car or access to secure transport

How much time do I need to commit?

As much or as little time as you are able to give. As a volunteer you would be responsible for managing the hours that you give - the hours would be to suit your personal circumstances.

What support will I be given?

You will be given an induction by a member of the fundraising team and any training required for the role.

What benefits can I expect?

The chance to be at the heart of the local community, meet new people and be part of an enthusiastic team.

Where will I be based?

Most of this work will involve being out and about representing Brighter Futures in your local community but you will need to visit the Fundraising Office at Great Western Hospital.

How do I apply?

Contact the Fundraising Team on 01793 605631 or email gwh.fundraising@nhs.net You will be asked to complete an enquiry form and provide two referees and attend an interview.
